INFORMATION LETTER-INVITATION

I All-Russian Conference with International Participation
«The Science of Aging: A Youth Perspective - 5 Years of Progress»

Dear colleagues!

SSU of FSAEI HE RNRMU named after N.I. Pirogov (Pirogov University) «Russian Gerontological Scientific and Clinical Center» of the Ministry of Health of Russia invites you (and your University) to participate in I All-Russian Conference with International Participation «The Science of Aging: A Youth Perspective - 5 Years of Progress» dedicated to the 5th anniversary of the Young Researchers of Aging Society which will be held on February 17, 2026. Within the framework of the Conference, a competition of student research abstracts will be held.

The purpose of the Conference is to cover topical issues of gerontology and geriatrics, their popularization among young people, especially among students and young scientists, and specialists of various profiles in the field of health care, exchange of experience and ideas, establishment of links between scientific and practical teams of various regions and institutions, development of common project activities in the direction of gerontology.

Conference Organizers:

- Separate Structural Unit of the Federal State Autonomous Educational Institution of Higher Education «Russian National Research Medical University named after N.I. Pirogov (Pirogov University)» «Russian Gerontological Scientific and Clinical Center» of the Ministry of Health of Russia
- Federal State Autonomous Educational Institution of Higher Education «Russian National Research Medical University named after N.I. Pirogov (Pirogov University)» of the Ministry of Health of Russia
- Young Researchers of Aging Society
- Student Scientific Society of Gerontology and Geriatrics of the Institute of Continuing Education and Professional Development of the Federal State Autonomous Educational Institution of Higher Education «Russian National

Research Medical University named after N.I. Pirogov (Pirogov University)»
of the Ministry of Health of Russia

All interested persons, students of medical, law and other universities, residents, PhD students, employees of medical organizations, medical practitioners, young scientists up to 35 years inclusive are invited to participate in the Conference.

The Organizing Committee of the Conference is located at: 129226, Russian Federation, Moscow, 1st Leonova St., 16, SSU of RNRMU RSCGC.

E-mail: young.org@rgnkc.ru

Phone number: +7 (985) 343-13-26

Contact person for communication: Marakhovskaya Yelizaveta

CONFERENCE SECTIONS

Section №1

First Steps: Starting in the Science of Aging (in Russ)

Section №2

Legal Aspects of Gerontology and Geriatric Care (in Russ)

Section №3

Scientific Focus: Advanced Study of Aging Issues (in Russ)

Section №4

Aging science without borders (in English)

To participate in the Conference (application for participation, consent to the processing of personal data), you must register via the Timepad at the link:

<https://obshchestvo-molodykh-issl.timepad.ru/event/3698478/>

Abstracts are sent via the website RAGG: <https://rosagg.ru/>

The conference takes place in three stages:

Stage I (registration, reception and processing by section moderators) - from December 1 to January 12

Stage II (in correspondence, qualifying) - from January 19 to January 29
